Adventure in the Enchanted Forest

Start writing

Opened my eyes - Tall magical trees, Mysterious creatures roaming around. It's so dark I can't even see anything, I saw something glow in the dark. I

walked towards it, I touched it and it glowed even more.

"Ello you mighty human, what's your name?" Charmed the Glowing fox.

"I'm Ellie, what about you?" I asked

"Well glad you asked, My name is the shiny Emerald" The fox said with excitement.

"Emerald, I'm here to find the Jasper Chest - Do you know where it is?" I demanded

"I sure do, that treasure could be found in the temple" replied Emerald

"Thank you very much Emerald, See you soon!" I responded

I went searching for the temple, I looked left and right. It was nowhere to be found. I found a strange paper on the floor. I picked it up and looked at it.

It was a map that showed everything in the enchanted forest.

"Now I know where the Jasper chest is" I gasped

I climbed trees, walked over hills, stepped on branches (ouch!) and experienced more enchanted places.

"Hey I found the jasper chest!" I said in excitement

"Wait, that's the temple, Emerald is flying around there" I gasped

There were traps and lava everywhere. I didn't know what to do. I tried to enter the temple by saying some magic stuff.

"Lebe elsa, lebe elsa, LEBE ELSA!!!" I shouted

It worked! I was so surprised that the lava went away and all the people and creatures all turned into stone. I jumped into the temple and grabbed the

jasper chest. As soon as I exited the temple I fell into the lava!

!!The End!!
